## Pastor Leslie James visits our Club

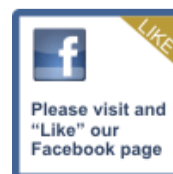

Pastor Leslie James of the William Carey Mission in Verulam was the guest speaker at our Club on 29 September. He spoke about the Mission and its role in training young people in Christian Ministry at its base in KwaZulu-Natal. These trainees being from not just Africa, but from Asia as well. Among the skills taught throughout the year-long course, are setting up schools, creches, vegetable gardens, etc. for communities.

The William Carey Mission received a mast from a District grant, as well as from the joint efforts of two Rotary Clubs - Hong Kong and Gimli in Canada - to allow them full Internet connectivity to enable them to develop their international reach.
